

PTCC is implementing a multiple measures for course placement (MMCP) approach effective for Fall 2020 registration. The new MMCP framework incorporates the use of high school GPA when determining placement into college level courses. This means that we will now consider a student’s overall high school GPA in conjunction with a placement assessment (ACT, MCA, SAT, Accuplacer) to determine if they are eligible to take a college level course.

Students may use this form if they wish to have their placement decision(s) re-evaluated. Please fill out the form completely and attach all requested documentation.
