Konik Primestaff has partnered with an original equipment manufacturer for a Welder position north of the Twin Cities. This is a contract to hire opportunity - all levels of experience will be considered. Please contact Adam and send resume to anicholson@konikprimestaff.com or call 612-965-0138.

**Welder**

Immediate job opening for a Welder to work on a variety of metals and their alloys. Manufacture and fabricate welded assemblies supplying customers with various high-quality components, close tolerance components, and complex components; weld and assist in designing and documenting custom equipment.

**Primary Duties:**
- Weld steel and Aluminum Mig: Use various fixtures, weld various quality complex components and assemblies
- Set up and perform welds of moderate complexity from blueprints and specifications. Assist engineering with prints and documentation design; prepare finished weldments for painting

**Qualifications:**
- Two years of experience or combination of education and related experience
- Capable of operating forklift, Mig welder, Tig welder, plasma cutter, along with various other shop tools
- Able to read blueprints
- Self-motivated, detail oriented, and have a positive attitude
- Able to work with limited supervision
- Have basic problem-solving techniques and troubleshooting

ALL LEVELS OF EXPERIENCE WILL BE CONSIDERED!

Konik PrimeStaff is an equal opportunity employer.
