

# Unlock Key Resources

Participating in Parent Aware gets you access to many valuable supports

Updated December 2017

**Achieve**  
*mncpd.org*

Helps care and education professionals apply for an Individual Membership, create a Learning Record, and receive a Career Lattice Step using Develop.

**Minnesota Department of Education**  
*education.state.mn.us*

Provides scholarships to young children attending Parent Aware Rated programs to improve school readiness.

**Minnesota Department of Human Services**  
*mn.gov*

Provides financial support through the Child Care Assistance Program (CCAP) to help families pay for child care — offering higher rates to programs with a Three- or Four-Star Rating.

Supporting Professionals and Promoting Quality

**MnAEYC-MnSACA**  
*mnaeyc-mnsaca.org*

Supports early childhood and school-age care programs with training, coaching, and consultation, including accreditation supports.

**Center for Early Education and Development**  
*ceed.umn.edu*

Provides training and observation using the Classroom Assessment Scoring System (CLASS™) and training on child assessment.

**Center for Inclusive Child Care**  
*inclusivechildcare.org*

Provides free coaching on health and safety, quality infant and toddler care, and serving children with special needs.

**Child Care Aware of Minnesota**  
*childcareawaremn.org*

Delivers coaching, training, professional development guidance, and financial resources through a network of regional and district agencies to assist providers throughout the Rating process.

**develop**

**Develop**  
*developtoolmn.org*

An online toolbox for providers to find and register for training, maintain a professional development record, and apply and submit documentation for a Parent Aware Rating.

**First Children's Finance**  
*firstchildrensfinance.org*

Provides child care business development support through consultation, leadership cohorts, and low-interest financing.
