### **Purpose:**

It is the purpose of Pine Technical College to provide a method for campus units and organizations to post signs on campus to communicate with staff and students while at the same time striking a balance between that form of communications and campus maintenance and appearance. Posting or taping of signs and flyers around campus also creates additional work for the maintenance/custodial staff and may detract from the image of the college if such activity is not regulated.

### **Procedure:**

  - a. One bulletin board in the Student Lounge area will be provided for the sole use of the Student Senate of PTC.
  - b. One bulletin board in the main hall will be used for college announcements
  - c. One bulletin board at top of ramp will be used for college announcements

  - e. Small bulletin boards outside classrooms may be used for college announcements; however, classroom announcements are given priority

  - g. Other hallway displays may also be provided from time to time for special purposes, including registration or other similar events.
2. Notices of events or other items of interest may also be submitted to Academic Affairs for inclusion on the overhead monitors provided around campus. Those wishing to submit must contact Academic Affairs for the format and instructions.

3. Signs and flyers may not be posted on or taped to:
  - a. any part of the building, except the above specified areas unless approved by the Marketing Director.
4. During Student Government elections, candidates may post signs around campus in general as a yearly exception to this policy, if considered appropriate by College staff.
5. Continuing Education may maintain a pedestal-mounted sign containing instructions for CE/CT students as long as the sign does not interfere with traffic.
6. Exceptions to these restrictions may be granted upon prior written request to the Leadership Team.
7. Any sign or flyer intended to remain for an extended period of time must be submitted to Marketing for approval and to insure professionalism.
8. Signs and flyers must have a posted date and a removal date printed on them.
