

1st and 2nd Shift CNC Machinist

Come and work for McNally Industries, located in Northwestern WI, in a clean, modern work environment, where you'll have 3- day weekends to enjoy the beauty of the area. The workweek consists of four 10- hour days, Monday - Thursday.

You'll receive paid time off after 90 days, plus paid holidays.

We offer a 2nd shift differential of 15% on top of the hourly wage.

We are currently seeking qualified 1st and 2nd shift CNC Mill Machinists. This position would primarily support Vertical mills such as Haas VF-2, SV-500, and Doosan, but may also include Horizontal Mills such as the DMG Mori and Okuma. Individual must possess a positive company attitude and be dedicated to company success. Must be proficient at multitasking and able to support two or more machines simultaneously. Good communication, timely status report outs, and accurate system reporting, is also a must. Two or more years machining experience is preferred and an Associate's Degree in a machine tool field is a plus. The ability to perform set-ups in this position is required.

The candidate will need to use standard measurement equipment to inspect complex parts and possess the ability to read and interpret blueprints. Good communication and attention to detail are a must.

Full benefit package offered, including health, dental, life, vision, and accident insurance, as well as a 401K employer match of up to 4% of gross wages. Send resume to: HR Dept, McNally Industries, LLC, 340 W Benson Ave, Grantsburg, WI 54840, fax: (715)463-5261 or email to hr@mcnally-industries.com. EOE
