ARMHS Practitioner
Adult Rehabilitative Mental Health Services

Enjoy Helping others, seeing others grow and develop life skills? Want a fulfilling career with flexible hours, the ability to work independently yet be part of a team, with ongoing training, and benefits? (Available for full-time). Becoming a ARMHS practitioner may be just the career you are looking for.

The Adult Rehabilitative Mental Health Practitioner provides direct services to a recipient in the recipient's home and/or community. The Mental Health Practitioner is responsible for providing services which are rehabilitative and enable the recipient to develop and enhance their mental health stability, gain social and community skills, interpersonal relationship skills, coping skills and independent living skills when these abilities have become impaired by the symptoms of their mental illness.

Full and Part time position available in Pine Co, Chisago Co, Isanti Co and Mille Lacs.

For more information and details for this position, visit us at www.safetransitions.org, find us Facebook at Safe Transitions or contact us at (218)-389-3291.

Safe Transitions is an Equal Opportunity Employer.
