

**Methodist Hospital**

Your Nupath Partner

**Come and join our team and be a partner for good!**

As a **graduating senior nursing student**, you can apply now and do not need to wait until after graduation to secure your new RN role! Once you pass your NCLEX, you will be able to get started in your RN position at Methodist Hospital!

In addition to working with an incredible, dedicated group of colleagues, you can also expect these benefits of working at Methodist Hospital:

- Come join our **Transition to Hospital Practice (THP)** program. A supportive 7-month long program designed just for you as a new graduate RN!
- Our interdisciplinary culture embraces new learners and promotes your personal development for your entire career.
- The shared governance structure embraces the active participation and engagement of the healthcare team in producing better patient outcomes and creating a culture of positivity and inclusion.
- We're committed to a culture of diversity and inclusion. A culture where every person feels welcome, included, and valued. It's an important part of our Head + Heart, Together culture, and critical to our success.

We hire new graduate RNs in all units of the hospital. There may be some units (ICU, Emergency Center, Labor & Delivery) that are an exception based on the time of year, experience levels, and current volume of new graduate recent hires.

### **Uncertain of which department suits you the best?**

Come and meet with our department leaders for a casual informational interview.

We can assist you to discover the department that is your ultimate fit!

**To apply**, please visit [parknicollet.com/careers](http://parknicollet.com/careers) or scan this code with your smartphone camera to apply:
