

Pine Technical & Community College

Business Administration

• Diploma • Certificate

Expand career opportunities by earning the Business Essentials certificate offered through Pine Technical and Community College. The curriculum develops strong general business acumen. Acquired skills can be leveraged to grow workplace opportunities within an existing organization or through entrepreneurial pursuits.

In addition to expanding career opportunities, the diploma seamlessly transfers into Pine’s Business Administration diploma, Management Information Systems diploma, Management Information Systems AAS, and the Business Transfer Pathway AS program.

Recommended Course Sequence for Completion in 1 Year

Career Outlook

According to the Bureau of Labor Statistics (BLS), employment in business and financial operations occupations is projected to grow 5 percent from 2019 to 2029, faster than the average for all occupations, adding about 476,200 new jobs. BLS research also shows that earning an associate degree can increase your annual income by an average of \$6,864 above the earning potential of a high school graduate.
