Practical Nursing

• Diploma

The Practical Nursing program expands upon the foundational skills of the Nursing Assistant. The curriculum prepares students to assist in the provision of general nursing care, think critically, and adhere to the Nursing Code of Ethics under the direction of a registered nurse or physician. Practical nursing students are eligible to apply to take the National Council Licensure Exam for Practical Nurses (NCLEX-PN). This program provides a pathway for students who wish to pursue academic advancement or seek employment in a wide variety of healthcare settings.

What is Credit for Prior Learning (CPL)?

Pine Technical & Community College (PTCC) values learning that happens outside of the classroom. Many students enrolling at PTCC bring with them a wealth of knowledge and real-world experiences that can be turned into college credit.

Ways students can gain Credit for Prior Learning:

Job skills and work experience, employer training programs, volunteer or community services, self-study, military education and occupations, industry certifications, high school articulate college credit, standardized exams.

Earning Credit for Prior Learning is Easy

1. Visit the CPL website at mycpl.minnstate.edu to see a full list of eligible courses, requirements, and assessment methods to determine if CPL is right for you.
2. Reach out to records@pine.edu to discuss CPL opportunities, payment (if required), and assessment information.
