# Nursing Mobility

## • Associate of Science

COLLEGE CATALOG 2025-26

The Nursing Mobility program expands upon the foundational knowledge and skills of Licensed Practical Nurses (LPNs) who want to pursue an Associate of Science (A.S.) Degree in Nursing. The curriculum prepares nurses to practice professionalism, leadership, clinical reasoning, and adherence to the Nursing Code of Ethics. With an A.S. in Nursing, students are eligible to apply to take the National Council Licensure Exam for Registered Nurses (NCLEX-RN). This program provides a pathway for students who wish to pursue academic advancement or seek employment in a wide variety of healthcare settings.

## Get the Credit You Deserve!

### What is Credit for Prior Learning (CPL)?

Pine Technical & Community College (PTCC) values learning that happens outside of the classroom. Many students enrolling at PTCC bring with them a wealth of knowledge and real-world experiences that can be turned into college credit.

### Ways students can gain Credit for Prior Learning:

Job skills and work experience, employer training programs, volunteer or community services, self-study, military education and occupations, industry certifications, high school articulate college credit, standardized exams.

### Earning Credit for Prior Learning is Easy

1. Visit the CPL website at [mycpl.minnstate.edu](http://mycpl.minnstate.edu) to see a full list of eligible courses, requirements, and assessment methods to determine if CPL is right for you.
2. Reach out to [records@pine.edu](mailto:records@pine.edu) to discuss CPL opportunities, payment (if required), and assessment information.
