

JOB TITLE:

Pine Technical &
Community College
CAREER SERVICES

ARCHITECTURAL SHEET METAL INSTALLER

COMPANY NAME

RedLine Architectural
Sheet Metal

JOB DESCRIPTION

Redline Architectural Sheet Metal is seeking reliable architectural sheet metal fabricators and installers. We specialize in both exterior and interior sheet metal work on residential and commercial buildings. Sheet metal fabrication or installation experience is desired, but not required, as we are willing to train motivated individuals for growth opportunities. Immediate positions open for all levels of experience. Pay based on qualification and experience. Applicants should be proficient in using and reading measurements, must have reliable transportation, and a valid drivers license. We are a small company with an excellent work environment. We offer competitive wages, medical insurance, 401K, and opportunity for advancement.

LOCATION

St. Paul, MN
