

Pine Technical & Community College

NURSING MOBILITY

Advance your nursing career. The Nursing Mobility AS program is designed for Licensed Practical Nurses (LPNs) seeking to become Registered Nurses (RNs). Students build advanced clinical judgment, leadership, and patient-centered care skills while preparing for the NCLEX-RN licensure exam. Graduates expand their career opportunities across a wide range of healthcare settings. Through PTCC's partnership with Bemidji State University, graduates may also benefit from a seamless transfer pathway into BSU's RN-to-BSN program, creating a clear and efficient route to earning a Bachelor of Science in Nursing.
