

Program Requirements

- **Tuition:** Visit pine.edu/tuition-fees
- **Books/software:** Visit pine.edu/campus-store for details
- **Laptop:** Students are not required to own a personal laptop but must have access to a computer that meets the necessary specifications to complete coursework—learn more at pine.edu/supplies
- **Tools/supplies:** Varies based on course—visit pine.edu/campus-store for details
- **Uniform:** Not required

Notes

While owning a laptop is not required, it is strongly recommended. Students must have reliable access to a computer that meets the necessary specifications for completing coursework, along with a stable internet connection—especially for fully online classes.

Some courses specifically require a full computer (not a Chromebook or iPad). A Windows computer is preferred, though a Mac may be acceptable depending on the course.

Some tools and supplies may be available for purchase at the campus store. If you have financial aid funds available, you may use financial aid for these items, provided the purchases are made through the campus store.

If your program requires a specific laptop, you may also use financial aid to purchase it through the campus store. However, laptops do not need to be purchased through the campus store—you may choose to buy from another retailer. If purchasing a laptop elsewhere, it is the student's responsibility to carefully review the required specifications for their specific program to ensure compatibility.

For questions about using financial aid in the campus store, please contact the bookstore staff or your student success advisor.

A limited number of laptops are available for checkout through the library if needed.
