

# Casual Mental Health Practitioner

Pine Technical &  
Community College  
Community Job Board

COMPANY NAME

Residential Services, Cambridge, MN

## DESCRIPTION

Residential Services, Inc. (RSI) is hiring a casual Mental Health Practitioner for its Lotus Grace Residential Crisis Stabilization (RCS) and Intensive Residential Treatment Services (IRTS) program in Cambridge, Minnesota. This as-needed role supports adults experiencing mental health crises by developing and implementing treatment plans, conducting assessments, teaching symptom-management and relapse-prevention skills, providing crisis intervention, administering medications, and helping clients build independent living skills. The program is located on a 20-acre hobby farm that offers a peaceful, nature-based environment for recovery. Practitioners are expected to work at least two shifts per month, including one weekend shift, with available daytime and evening schedules. Pay ranges from \$22.00–\$23.00 per hour. RSI offers paid training, PTO, retirement matching, employee assistance programs, wellness resources, referral bonuses, and potential tuition assistance and student loan forgiveness opportunities.

## QUALIFICATIONS

- Availability to work at least 2 shifts per month
- Availability for at least 1 weekend shift per month
- Ability to work varying shifts (7:00 a.m.–11:00 p.m.)
- Experience working with individuals experiencing mental health challenges preferred
- Ability to develop, implement, and evaluate treatment plans
- Ability to conduct assessments, discharge planning, and documentation
- Knowledge of symptom management, relapse prevention, and recovery-oriented care
- Ability to administer medications and maintain accurate records
- Knowledge of crisis intervention and behavioral support techniques
- Ability to assist with personal care, daily living skills, transportation, and household tasks
- Strong communication, documentation, and interpersonal skills
- Ability to work collaboratively with a multidisciplinary treatment team
- Commitment to person-centered, recovery-focused care
